# PART 1 – INVITATION AND SUBMISSION INSTRUCTIONS

## 1.1 Invitation to Proponents

This Request for Proposals (the “RFP”) is an invitation by the Government of Bermuda (the “Government”) to prospective proponents to submit proposals for **Recruitment of Teaching and Ancillary staff** as further described in Section A of the RFP Particulars (Appendix D) (the “Deliverables”).

The Government of Bermuda seeks to procure comprehensive recruitment services to support the hiring of teaching and ancillary staff for the Bermuda Public School System during its transition to a new Education Authority model. This service will include resource planning, advertisement of roles, candidate screening, interviewing, and onboarding of both Bermudian and non-Bermudian professionals. The selected provider will collaborate closely with the Department of Education and the Department of Employee and Organizational Development to ensure compliance with recruitment timelines specified in collective bargaining agreements. Key deliverables include facilitating transfers, contract renewals, and new hires, while also providing regular updates on recruitment progress to support the Government's commitment to maintaining high-quality educational services throughout the transition period.

The Government of Bermuda encourages proponents to submit an innovative framework for recruitment that aligns with the established recruitment timelines, ensuring the efficient and effective hiring of teaching and ancillary staff. Proponents should propose creative strategies, methodologies, and technologies that enhance the recruitment process while maintaining compliance with collective bargaining agreements and regulatory requirements. The Government of Bermuda welcomes approaches that optimize candidate sourcing, improve efficiency in screening and interviewing, and support seamless onboarding to meet the evolving needs of the Bermuda Public School System during its transition to a new Education Authority model.

## 1.2 RFP Contact

For the purposes of this procurement process, the “RFP Contact” will be:

Ms. Sherry Swan, Administrative Assistant/Accounts Officer, at email [slswan@gov.bm](mailto:slswan@gov.bm).

Proponents and their representatives are not permitted to contact any employees, officers, agents, elected or appointed officials or other representatives of the Government, other than the RFP Contact, concerning matters regarding this RFP. Failure to adhere to this rule may result in the disqualification of the proponent and the rejection of the proponent’s proposal.

Prior to the Submission Deadline noted in the RFP timetable below, proponents that download this file and intend to respond to this RFP are required to register their interest with the RFP contact by emailing their company name and contact information to:

Ms. Sherry Swan, Administrative Assistant/Accounts Officer, at email [slswan@gov.bm](mailto:slswan@gov.bm).

Amendment/addenda (if any) will be posted at <https://www.gov.bm/procurement-notice>. Proponents should visit the Government Portal on a regular basis during the procurement process.

### 1.3 Type of Contract for Deliverables

The selected proponent will be requested to enter into direct contract negotiations to finalize an agreement with the Government for the provision of the Deliverables. The terms and conditions found in the Form of Agreement (Appendix A) are to form the basis for commencing negotiations between the Government and the selected proponent. It is the Government's intention to enter into an agreement with only one (1) legal entity.

The term of the agreement is to be for a period of two (2) years, with an option in favour of the Government to extend the agreement terms and conditions acceptable to the Government and the selected proponent for an additional term of up to one (1) year. An Agreement is subject to change until fully executed.

Joint submissions are acceptable however, if a joint submission is made, the submission must clearly indicate which party will act as the prime contractor.

[End of Part 1]

## **PART 2 – EVALUATION, NEGOTIATION AND AWARD**

### **2.1 Stages of Evaluation and Negotiation**

The Government will conduct the evaluation of proposals and negotiations in the following stages:

#### **2.2 Stage I – Mandatory Submission Requirements**

Stage I will consist of a review to determine which proposals comply with all of the mandatory submission requirements. If a proposal fails to satisfy all of the mandatory submission requirements, the Government will issue the proponent a rectification notice identifying the deficiencies and providing the proponent an opportunity to rectify the deficiencies. If the proponent fails to satisfy the mandatory submission requirements within the Rectification Period, its proposal will be rejected. The Rectification Period will begin to run from the date and time that the Government issues a rectification notice to the proponent. The mandatory submission requirements are set out in Section C of the RFP Particulars (Appendix D).

#### **2.3 Stage II – Evaluation**

Stage II will consist of the following two sub-stages:

##### **2.3.1 Mandatory Technical Requirements**

The Government will review the proposals to determine whether the mandatory technical requirements, as set out in Section D of the RFP Particulars (Appendix D), have been met. Questions or queries on the part of the Government as to whether a proposal has met the mandatory technical requirements will be subject to the verification and clarification process set out in Part 3.

##### **2.3.2 Rated Criteria**

The Government will evaluate each qualified proposal on the basis of the non-price rated criteria as set out in Section F of the RFP Particulars (Appendix D).

#### **2.4 Stage III – Pricing**

Stage III will consist of a scoring of the submitted pricing of each qualified proposal in accordance with the price evaluation method set out in Pricing (Appendix C). The evaluation of the price will be undertaken after the evaluation of mandatory requirements, and rated criteria has been completed.

#### **2.5 Stage IV – Ranking and Contract Negotiations**

##### **2.5.1 Ranking of Proponents**

After the completion of Stage III, all scores from Stage II and Stage III will be added together, and the proponents will be ranked based on their total scores. The top-ranked proponent will receive a written invitation to enter into direct contract negotiations to finalize the agreement with the Government. In the event of a tie, the selected proponent will be the proponent selected by way of the lowest price.

## **2.5.2 Contract Negotiation Process**

Any negotiations will be subject to the process rules contained in the Terms and Conditions of the RFP Process (Part 3) and will not constitute a legally binding offer to enter into a contract on the part of the Government or the proponent and there will be no legally binding relationship created with any proponent prior to the execution of a written agreement. The terms and conditions found in the Form of Agreement (Appendix A) intended to provide the proponent advance notice of some of the key contractual provisions including indemnities, limitation of liabilities, service requirements, etc. that would be contained in the form of contract and are to form the basis for commencing negotiations between the Government and the selected proponent. Negotiations may include requests by the Government for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or to confirm the conclusions reached in the evaluation, and may include requests by the Government for improved pricing or performance terms from the proponent.

## **2.5.3 Time Period for Negotiations**

The Government intends to conclude negotiations and finalize the agreement with the top-ranked proponent during the Contract Negotiation Period, commencing from the date the Government invites the top-ranked proponent to enter negotiations. A proponent invited to enter into direct contract negotiations should therefore be prepared to satisfy the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D), provide requested information in a timely fashion and conduct its negotiations expeditiously.

## **2.5.4 Failure to Enter into Agreement**

If the pre-conditions of award listed in Section E of the RFP Particulars (Appendix D) are not satisfied or if the parties cannot conclude negotiations and finalize the agreement for the Deliverables within the Contract Negotiation Period, the Government may discontinue negotiations with the top-ranked proponent and may invite the next-best-ranked proponent to enter into negotiations. This process will continue until an agreement is finalized, until there are no more proponents remaining that are eligible for negotiations or until the Government elects to cancel the RFP process.

## **2.5.5 Notification of Negotiation Status**

Other proponents that may become eligible for contract negotiations may be notified at the commencement of the negotiation process with the top-ranked proponent.

[End of Part 2]

## **PART 3 – TERMS AND CONDITIONS OF THE RFP PROCESS**

### **3.1 General Information and Instructions**

with others for goods and services the same as or similar to the Deliverables or may obtain such goods and services internally.

### **3.1.9 Equivalency**

When proprietary names, brands, catalogues or reference numbers are specified in the Deliverables, they are intended to set a minimum standard, and preference for any particular material or equipment is not intended. This RFP may be amended only by addendum in accordance with this section. If the Government, for any reason, determines that it is necessary to provide additional information relating to this RFP, such information will be communicated to all proponents by addendum. All addenda will be published online at <https://www.gov.bm/procurement-notices>. Each addendum forms an integral part of this RFP and may contain important information, including significant changes to this RFP. Proponents are responsible for obtaining all addenda issued by the Government. In the Submission Form (Appendix B), proponents must confirm their receipt of all addenda by setting out the number of each addendum in the space provided.

### **3.2.3 Post-Deadline Addenda and Extension of Submission Deadline**

If the Government determines that it is necessary to issue an addendum after the Deadline for Issuing Addenda, the Government may extend the Submission Deadline.

### **3.2.4 Verify, Clarify and Supplement**

When evaluating proposals, the Government may request further information from the proponent or third parties in order to verify, clarify or supplement the information provided in the proponent's proposal. The information may include, without limitation, clarification with respect to whether a proposal meets the mandatory technical requirements set out in Section D of the RFP Particulars (Appendix D). The Government may revisit, re-evaluate and rescore the proponent's response or ranking on the basis of any such information.

### **3.3 Notification and Debriefing**

#### **3.3.1 Notification to Other Proponents**

Once the Agreement is executed by the Government and a proponent, the other proponents may be notified directly in writing of the outcome of the procurement process.

#### **3.3.2 Debriefing**

### **3.4 Conflict of Interest and Prohibited Conduct**

#### **3.4.1 Conflict of Interest**

For the purposes of this RFP, the term "Conflict of Interest" includes, but is not limited to, any situation or circumstance where:

- (a) in relation to the RFP process, the proponent has an unfair advantage or engages in conduct, directly or indirectly, that may give it an unfair advantage, including but not limited to (i) having, or having access to, confidential information of the Government in the preparation of its proposal that is not available to other proponents, (ii) communicating with any person with a view to influencing preferred treatment in the RFP process (including but not limited to the lobbying of decision makers involved in the RFP process), or (iii) engaging in conduct that compromises, or could be seen to compromise, the integrity of the open and competitive RFP process or render that process non-competitive or unfair; or
- (b) in relation to the performance of its contractual obligations under a contract for the Deliverables, the proponent's other commitments, relationships or financial interests (i) could, or could be seen to, exercise an improper influence over the objective, unbiased and impartial exercise of its independent judgement, or (ii) could, or could be seen to, compromise, impair or be incompatible with the effective performance of its contractual obligations.

#### **3.4.2 Disqualification for Conflict of Interest**

The Government may disqualify a proponent for any conduct, situation or circumstances, determined by the Government, in its sole and absolute discretion, to constitute a Conflict of Interest as defined above.

### **3.4.3 Disqualification for Prohibited Conduct**

The Government may disqualify a proponent, rescind an invitation to negotiate or terminate a contract subsequently entered into if the Government determines that the proponent has engaged in any conduct prohibited by this RFP.

### **3.4.4 Prohibited Proponent Communications**

Proponents must not engage in any communications that could constitute a Conflict of Interest and should take note of the Conflict of Interest declaration set out in the Submission Form (Appendix B).

### **3.4.5 Proponent Not to Communicate with Media**

Proponents must not at any time directly or indirectly communicate with the media in relation to this RFP or any agreement entered into pursuant to this RFP without first obtaining the written permission of the RFP Contact.

Proponents shall not in relation to this RFP or the evaluation and selection process, engage directly or indirectly in any form of political action or other activity whatsoever to influence or attempt to influence Parliament, the Government, or to influence or attempt to influence any legislative or regulatory action, in the selection or evaluation of any proponent.

### **3.4.7 Illegal or Unethical Conduct**

The proponent represents, warrants, and covenants that, in connection with activities performed under this Agreement or on behalf of the Government, the proponent has not and will not offer, promise, authorise, pay, or act in furtherance of an offer, promise, authorization, or payment of anything of value, directly or indirectly, to a Government Official (as hereinafter defined), political party or party official, candidate for political office, or official of a public international organisation, in order to obtain or retain business, to secure an improper advantage or benefit of any kind or nature to person(s) related, associated or linked to the Government Official, or to secure or influence discretionary action, inaction or a decision of a Government Official(s). For purposes of this proposal, the term "Government Official" shall mean and include any official, public officer or employee of the Government, as well as an official or employee in the judicial, legislative, or military, anyone acting in an official capacity for the Government, or any immediate family member of such persons. The proponent represents, warrants, and covenants that it has complied and will comply with *The Bribery Act 2016* and all other applicable laws of any relevant jurisdiction in connection with the performance of this Agreement. Without limiting the generality of the foregoing, the proponent represents, warrants, and covenants that it has not and will not take any action that would cause the Government or anyone acting on their behalf to violate or be subjected to penalties under *The Bribery Act 2016*, or the applicable anti-corruption laws of other countries.

The proponent acknowledges and agrees that in the event that the Government believes, in good faith, that the proponent has breached this section, the Government shall have the right to immediately withdraw and terminate this opportunity and terminate any or all other agreements with the proponent.

### **3.4.8 Past Performance or Past Conduct**

The Government may prohibit a supplier from participating in a procurement process based on past performance or based on inappropriate conduct in a prior procurement process, including but not limited to the following:

- (a) illegal or unethical conduct as described above;
- (b) the refusal of the supplier to honour its submitted pricing or other commitments; or
- (c) any conduct, situation or circumstance determined by the Government, in its sole and absolute discretion, to have constituted an undisclosed Conflict of Interest.

### **3.4.9 No Collusion**

Proponents must not engage in any collusion and must sign the certificate as set out in the Certificate of Confirmation of Non-Collusion (Appendix E).

## **3.5 Confidential Information**

### **3.5.1 Confidential Information of the Government**

All information provided by or obtained from the Government in any form in connection with this RFP either before or after the issuance of this RFP

- (c) must not be disclosed without prior written authorization from the Government; and
- (d) must be returned by the proponent to the Government immediately upon the request of the Government.

### **3.5.2 Confidential Information of Proponent**

- (a) A proponent should identify any information in its proposal or any accompanying documentation supplied in confidence for which confidentiality is to be maintained by the Government. The confidentiality of such information will be maintained by the Government, except as otherwise required by the Public Access to Information Act 2010 or by order of a court or tribunal.
- (b) Proponents are advised that their proposals will, as necessary, be disclosed, on a confidential basis, to advisers retained by the Government to advise or assist with the RFP process, including the evaluation of proposals. If a proponent has any questions about the collection and use of personal information pursuant to this RFP, questions are to be submitted to the RFP Contact.
- (c) The Proponent is responsible to ensure that they comply with the *Personal Information Protection Act 2016* ("PIPA"), related to any information in the proponent's custody, care or control.

### **3.6 Procurement Process Non-Binding**

#### **3.6.1 No Process Contract and No Claims**

This RFP is a request for proposals only and participation in this RFP is not intended to create legal obligations between the Government and any of the proponents or their representatives. For greater certainty and without limitation:

- (a) Participation in this RFP will not give rise to any preliminary contract or collateral contract;
- (b) No proponent shall have any claim for any compensation of any kind whatsoever (whether in contract, tort, law, equity or otherwise), as a result of participating in this RFP, and by submitting a proposal each proponent shall be deemed to have agreed that it has no claim against the Government;
- (c) The decision to award or not to award a contract to any proponent is at the discretion of the Government. The Government shall have no liability to any proponent with respect to the awarding of a contract or the failure to award a contract to any proponent. #### **3.6.2 No Contract until Execution of Written Agreement**

This RFP process is intended to identify prospective suppliers for the purposes of negotiating potential agreements. #### **3.6.3 Non-Binding Price Estimates**

While the pricing information provided in proposals will be non-binding prior to the execution of a written agreement, such information will be assessed during the evaluation of the proposals and the ranking of the proponents. Any inaccurate, misleading or incomplete information, including withdrawn or altered pricing, could adversely impact any such evaluation or ranking or the decision of the Government to enter into an agreement for the Deliverables.

#### **3.6.4 Cancellation**

- (a) no qualitatively or financially worthwhile offer has been received or there has been no valid response at all;

- (c) exceptional circumstances or force majeure render normal implementation of the project impossible;
- (d) all offers exceed the financial resources available, or are otherwise inconsistent with the principles of economy, efficiency and effectiveness; or

The publication of a procurement notice does not commit the Government to implement the programme or project announced.

These Terms and Conditions of the RFP Process (Part 3):

- (f) are intended to be interpreted broadly and independently (with no particular provision intended to limit the scope of any other provision);

### 2. Vendor Experience and Track Record

The vendor's experience and track record will play a pivotal role in the evaluation process, assessing their ability to deliver comprehensive recruitment services tailored to the unique requirements of the Bermuda Public School System. Vendors must demonstrate expertise in managing large-scale recruitment projects, particularly in the education or public sector, where compliance with strict timelines and regulatory frameworks, such as collective bargaining agreements, is essential. A strong history of sourcing, screening, and onboarding both local and international candidates is vital, especially for high-volume recruitment needs.

Proven past performance will be evaluated through examples of successful engagements of similar scope and complexity. Vendors are encouraged to provide case studies or project summaries highlighting measurable outcomes, such as timely delivery, quality of hires, retention rates, and client satisfaction. References from previous clients, particularly within the education or public service domain, will further illustrate the vendor's ability to meet expectations and foster long-term partnerships.

Additionally, vendors should demonstrate their capacity to handle the volume and intricacies of the recruitment process, including the use of innovative tools or methodologies that enhance efficiency and candidate quality. Evidence of strong data security practices and compliance with privacy regulations, such as the Personal Information Protection Act (PIPA), will be a critical factor in evaluating the vendor's reliability. This assessment will ensure the selected provider is equipped to address the strategic goals of this recruitment initiative.

### **3. Implementation and Support Approach**

The Implementation and Support Approach will evaluate the vendor's strategy for effectively managing the recruitment process from start to finish while ensuring alignment with the timelines and objectives outlined in this RFP. Vendors must outline a clear and detailed implementation plan, including key milestones, timelines, and resource allocation, to demonstrate their ability to meet recruitment deadlines such as transfer confirmations, contract renewals, and new hires. The approach should highlight how the vendor will collaborate with the Department of Education, principals, and other stakeholders to ensure seamless execution.

A strong support approach will include provisions for regular updates, reporting, and issue resolution throughout the recruitment cycle. Vendors should detail their mechanisms for providing weekly progress updates and monthly reports, ensuring transparency and accountability. Additionally, the ability to provide flexible support, such as scaling resources during peak recruitment periods or managing unforeseen challenges, will be considered critical to the success of the project.

The vendor should also describe the tools and technologies they will utilize to streamline the recruitment process, such as applicant tracking systems or automated reporting tools. Ongoing support, including assistance with onboarding, relocation for non-Bermudian hires, and compliance with data privacy regulations, is expected. Vendors are encouraged to demonstrate how their approach will ensure efficient, accurate, and consistent delivery of recruitment services while maintaining high levels of client and candidate satisfaction.

### **4. Social, Economic and Environmental Factors**

The Government has established the minimum evaluation weight regarding Local Benefits for this procurement at 30% of the total points.

The local benefit considerations will be given to each of the following factors when proposals are evaluated:

- Is the proponent a local specified business? (See the Code of Practice for Project Management and Procurement on the Government's Portal for the definition of "Specified Business")
- Local Workforce Utilization
  - Number of Bermudians employed by the proponent.
  - Engagement of Bermudian employee (%) during the project.
  - Use of local specified businesses in the proponent's supply chain.
  - Use of local specified business as subcontractors (if applicable).
- Safety and Health record of the proponent for the three immediately preceding years of reporting
- Operational Environmental considerations and policy for their working site and projects. (each proponent to provide a copy)

## APPENDIX E – CERTIFICATE OF CONFIRMATION OF NON-COLLUSION

### Notes for the proponents

The essence of Open Tendering is that the Government of Bermuda shall receive bona fide competitive proposals from suitably qualified persons or entities. In recognition of this principle, each person or entity that submits a proposal will be required, by way of the signature of a duly authorized representative of the company, to confirm that the proposal has been submitted without any form of collusion.

All proponents must complete and sign a Certificate of Confirmation of Non-Collusion. Any proposals submitted which do not include a signed copy of the Certificate will be wholly rejected and will not be included in the evaluation process.

If it is later found that the undertakings made below have been breached at any stage of the procurement process, then the proponent will be expelled from the process immediately. In the event that this is discovered after a contract award, legal action may be taken against the proponent and/or any party involved in the matter.

Any proponent that submits false information in response to this Request for Proposals (RFP), and any other person or entity involved in collusion, may be excluded from competing for future contracts tendered by the Government of Bermuda.
