

Annex A: Pricing Form ref FW-MTS 2025 Mobile Telecommunications Services

Required Pricing Information

1. For ease of reference, provide the names of the proposed packages.
2. Provide additional information and comments to support the services on a separate sheet.
3. Provide pricing information on any other services that your service plan includes that have not been listed below.
4. Pricing shall be provided in Bermuda funds, and all sums shall be in Figures and words.
5. All rates must apply for the duration of the Framework Agreement.
6. Proponents should base their pricing on an indicative volume of 1200 devices.
7. Any enhancements included above must be clearly specified in the Technical Proposal and cross-referenced to this Pricing Form.
