Part 2. Questions (Q) and Government's Responses (R)

	TENDER DOCUMENT REFERENCE	ANNEX	ISSUE	QUESTION	ANSWER
1	RFI Package		Respondent submission Form	As we are not currently doing business in Bermuda, we do not have a Social Insurance Number or a Payroll Tax Number issued by the Government of Bermuda. Would including a "Not Available" statement be sufficient at this time?	A Social Insurance number and a tax number issued by the Bermuda Government will not be required from foreign companies. Writing "Not Applicable" in the form will be sufficient.
2	RFI Package	A	General	Could you provide some outline design information, general arrangement drawings etc. so that we can put together initial budget information which might help us to consider responding to the RFI scope more fully	Yes. The requested information is included in this Addendum#1 Part 3 – Approval In Principle Documents (AIP). Note that the bridge detailed design is 90% complete at this moment, as a result of a 3 phase design process. At this stage the AIP documents should give sufficient information to help understand the scale of the project.
3	RFI Package Appendix A Clause c		Pricing Clause	Is pricing information required as part of the response to the RFI	No. It is not required. This RFI is released for the purpose of collecting information and advertising the project on the construction market. At a later stage detailed more specific RFXs will be available on the Government website. All registered parties will be notified. Respondents should visit the Government Portal website
