GOVERNMENT OF BERMUDA

Ministry of Public Works

Department – Public Lands and Buildings

HARMONY HALL STATION. 13 RAILWAY TRAIL, PAGET

Location.	The property is located on the railway trail off of South Road in Paget and is located within close proximity to the City of Hamilton.
Description.	The unit has previously been used as a charitable workshop and does not have water access. The property is comprised of a single storey traditionally built building.
Use	It is part of the National Park Railway Trail and applicants should have considerations in their use proposals that would complement the Parks system.
Tenure.	Leasehold – A maximum term of 5 years, with option for renewal
Planning / Parks Controls	<p>The site is zoned as part of a National Park and therefore any proposed works to the building and use would be considered by Parks Department/ National Parks Commission and Development & Planning Control requirements.</p> <p>In selecting potential tenants, the landlord will consult the Parks Department/Commission & Planning Department.</p>
Services & General Condition of Building	<p>Electricity supply is available. The property is in a reasonable good state consistent with its age. The Landlord offers no guarantee or warranty as to the condition, suitability or full details of aspects that may require refurbishment or replacement within the building.</p> <p>Bidders are encouraged to carry out their own detailed survey to satisfy themselves.</p>
Leasing Agreement	The lease agreement shall be based on the Government’s standard lease provisions.
Costs	<p>Lessee shall be fully responsible for all improvement works to the building and services that will suite the proposed use for the property.</p> <p>The Landlord will insure the building and shall reserve the right to recharge the cost to the Lessee.</p>

GOVERNMENT OF BERMUDA

Department – Public Lands and Buildings

Repairs & Maintenance	The Landlord will be responsible for the structure of the building including the roof and exterior walls. The tenant will be responsible for repair and maintenance of all internal parts and aspects of the building, including the electrical systems and all other Landlord's fixtures and fittings.
Offers.	<p>The offer conditions are set out in the attached 'Invitation to Tender', under Part II, Part III and Part V. It is recommended that bidders read these carefully and possibly consult with their solicitor before making an offer.</p> <p>All offers should be submitted on the enclosed offer form by <u>3:00 PM ON Monday 21st FEBRUARY 2022.</u></p> <p>Bidders are to provide details of their proposed use with any other additional details or information they consider to be important or appropriate to assist in the consideration of their proposal.</p>
Disclaimer	<p>These particulars as supplied by the Estates Services of the Department of Public Lands & Buildings/Government of Bermuda are set out as a general outline only for the guidance for works to be proposed and of intending leasing arrangement; and do not constitute any part of an offer or contract. Details are provided without any responsibility or indemnity, and any intending lessees or third parties should not rely on them as statements or representations of fact, but as merely providing information as a guide. Bidders must satisfy themselves by inspection and detailed survey as to the correctness of each of the information provided.</p> <p>We have not carried out a structural survey and any detailed investigations on the services, appliances and specific fittings have not been tested.</p> <p>Any photographs, measurements, plan and distances referred to are given as a guide only and should not be relied upon for the procurement of any works, fixtures or fittings or any other decisions.</p> <p>Tenure details cannot have their accuracy guaranteed for intending lessees and are therefore given as a guide only and for further negotiation purposes. These should be checked and confirmed by bidder's surveyors/solicitor prior to completing any associated agreement.</p>
