4th September 2015

Dear Sir/Madam,

Re: Financial Valuation of Western Water Infrastructure Assets
Request for Proposal

The Government of Bermuda, as represented by the Ministry of Public Works (MPW), is seeking proposals from suitably qualified consultants to provide professional services for the valuation of the existing Government water infrastructure in the Western parishes of Bermuda; specifically Southampton and Sandy's.

The Consultant will be required to provide consulting services to the Client for the development of a financial valuation of the infrastructure. This shall include a review of all available information pertaining to the water production and distribution system, financial evaluation of the elements of the system and development of a final report outlining the financial value of the assets.

You are invited to submit technical and fee proposals for the study based on the enclosed Request for Proposal including:

1. Instructions to Proponents
2. Terms of Reference
3. Proposed Agreement; FIDIC Client / Consultant Model Services Agreement (incl. Particular Conditions)

The detailed proposal in hardcopy shall be received by the Ministry of Public Works, 3rd Floor, 56 Church Street, Hamilton, no later than **3:00PM, Friday, 2nd October 2015**.

Any queries should be sent to tjchristopher@gov.bm and copied to kharris@mason.bm.

Yours sincerely,

Mr. Peter Havlicek, P.Eng.
Chief Engineer
for Permanent Secretary
